# MNS, WCS YOUR ROLE TO SAVE MALAYAN TIGER

Global Tiger Day 2020 Webinar Day 3: Your role to save the Malaysian tiger

Powered by StreamYard

MYCAT telah bersiaran langsung lebih kurang 2 bulan yang lalu.

It's easy for anyone to point fingers on who to blame for the extinction of tigers, but will we unite and take responsibility to save them? Do you often find yourself feeling small and saying "Well, what can I actually do to save tigers? I'm only 1 person". In this session, we invite Malaysians of different backgrounds in a society to speak about...

### Soil Conservation: Biodiversity Gardens Capacity Building Onlin...

This online workshop series, organized with the Kota Damansara Community Forest Society and with funding from The Habitat Foundation and the UNDP GEF Small Grants Program, aims to develop knowledge and skills among urban communities that want to conserve, improve and manage green spaces in the city.

Over the next few weeks, we will be running online workshops on various topics related to rewilding urban areas. The first online workshop, Soil Conservation, will take place on Zoom on 28 August 2020 at 8 pm, Malaysian time. Join Chan Zi Xiang as he discusses how we can better conserve soil and the implications it has for the food we eat.

Hope Rising was this year's theme for **World Firefly Day 2020**. The fireflies' magical light inspires us with optimism and hope in these challenging times. With this light of hope, wishing all Malaysians to share Hope, Peace and Understanding amongst each other. And not forgetting these lovely fireflies and other wildlife, Share a Hope for their survival, live in Peace and ending human-wildlife conflict and an Understanding of their services provided for a healthy environment for all Malaysians. Stay safe, mask on and social distancing!
